

Beware the ides of March

It is the part of men to fear and tremble when the most mighty gods, by tokens send such dreadful heralds to astonish us.

A common slave you know him well by sight! Hold up his left hand, which did flame and burn like twenty torches join'd, and yet his hand not sensible of fire remain'd unscorch'd!!!

Why saw you any thing more wonderful!!!

The Hero comes

Tell them I come to settle that part which relates to France.
